Board of Visitors' Report on Jail.

FARMINGTON, April 18, 1904. To the County Court, St. Francois in Flat River.

County. Gentlemen: The Board of Visitors o the Eleemosynary Institutions under appointment of the Circuit Court desires day in Flat River. to report to your honorable body as fol-

We have visited the county jail with in the cast few months and made a careful inspection of the same. There was some complaint among the prisoners as to the rations supplied them. There is, of course, always complaint of this kind in the majority of similar institutions, but in order to guard against any and all abuses that might arise under the system of paying to the with the bullet hole in his head, the character and quality of the same, Dr. Robinson was sent for, but the we would suggest that you require unfortunate man was beyond hu-some report as to the kind and quality of food furnished. This suggestion is made without any reflection whatever

There also seemed to be some neg lect in the matter of cleanliness of bed strong and robust man, was com coverings. We would suggest that fortably situated and happy in his ants should be freely used in the jail family relations, and apparently and precautions taken to prevent the but he had been ailing for a few that this has been neglected to some

As to the equipment of the fail, there need for rearrangement of the heating plant. As it is now, it is not inably in a moment of temporary de- trequent that the cage room is cold rangement concluded to put an end. At the best it can be properly heated

Permit us to also call to your attenon the arrangement of the water supply. As this is taken from the city it is in sufficient quantity and pure. It is, however, first drawn into large tank and then redrawn as needed by the prisoners. We would suggest that this be remedied so that water can be drawn directly from the mains. The purchase of a short length of hose and a nozzle would permit the ready

washing out of the jail. In the judgment of the board the fail is poorly arranged for the care of female prisoners. The sheriff has done parents in Bonne Terre. the best possible under the circumstances in contining women in the room on the south side of the lower floor of the jail building. There should be provided without delay for that room the following: An iron or other suitable bed, several chairs or stools, and facilities for washing. Some arrangement hould be made in the matter of sanitary equipment. As the room is now, driving through here Sunday. there is no suitable place for the simplest needs. We would suggest that you give this your immediate attention

For the perfect management of such an institution there should be provided some way of separating the old and new offenders; the complete separation of both sexes and races; and the separation of the more youthful offendfrom those who are older. Under the present arrangement this is practically impossible. It is called to your future you may take up the matter for of Farmington spent last Thursday consideration

We are indebted to the sheriff for he institution

Respectfully submitted, J. L. Haw, Chairman. MRS. MERRILL PIPKIN. С. Е. Ніскок

Go to the City Meat Market for your choice steaks, roasts and pork chops.

Big Line of Spring Clothing at the Farmington Mercantile Company's, and prices are lower than ever.

The green house established by Mr. Butterfield last fall in his nurseries is a visit. The plants of all kinds are past winter, returned to her home healthy and vigorous, and a great number of them are in full bloom. A curious sight was the group of Crimon Rambiers, less than a foot high covered with a dozen bright red roses. The geraniums are shown in all colors, and there are several Easter and calla lilies in bloom. Ferns of all kinds and sizes are shown and a curous blue daisy. Outside beds were of all shades, pansies, forget-me-nots,

SCHOOL ENTERTAINMENT.

The entertainment given by the publie school pupils at the school house last Thursday and Friday evenings to erowded houses, even standing room being scarce, was good, all rendering their parts well. As it would take too much space to mention all, will just mention the principal features.

"Hayseed Drill," by Miss Florence Au Buchon's pupils, the girls having rakes and the boys hoes, and including "Work while the Dew is Spark

The drills by Misses Emma and Kate Smith's pupils were Sunbonnet Drill, Tomahawk and Clown Drills, with "The Lify Drill," by nine of the larger girls, each girl bearing lillies, and including "Nearer My God to Thee," were enjoyed by all and heartify an planded

The Bootblack and Red Riding Hood Drills, by Miss Bettie Templeton's pupils, were heartily applauded. The boys all neted their parts in the "Bootblack Drill' as if in earnest, and leaving the impression that it was an everyday work for them. It included Where is My Little Dog Tray? Their sports, such as marbles, leapfreg, etc., the lunch hour disputes and lights, which created rears of laughter and encore after encore from the atentive andience. children of Farmington were out

The "Red Riding Hood" girls, in heir red cloaks and bonds with dinner mils, were good, and were terribly frightened when the bears appeared on the scene, but happily turned out to be devoted lovers; the grand-mothers also appearing on the scene to add their

The "Pautomime," "My Faith Looks Up to Thee," by little Miss Emma London, Miss Templeton singing be solo, deserves much credit; also the song, "Grandma's Dream," by Essie Dees, including the scenes. Washday, Spinning Wheel, Sewing, cuitting, etc., on up to when 21 waiting for her lover, grand-moth-

er wakes up to find it a dream. These were also by Miss Templeon's room, who presided at the organ and Miss Kate Smith presiding at the organ for her and Miss Emma's drills. The dialogue by Etta Elser, Pearl Polest, Grace Parker, Irene Thou and Mattie Mathews, was good, Miss Thomure acting the Irish Maid to

The program closed with the Good-Night Drill, by little girls in white capand gowns with dolls and lighted can-

immunimminimi Thus closes another successful school ear. The success of the entertain ment showed the painstaking work of the teachers, who deserve praise for their work in training the children.

Notice.
